

Karriereforschung – Karriereplanung kompakt

Das Karriereforschung an der TU Dortmund bietet Ihnen in konzentrierter Form Informationen und Tipps zu Karriereoptionen und -wegen nach der Promotion in Wissenschaft und Wirtschaft.

Tauschen Sie sich in kleinen Gesprächsrunden mit ausgewiesenen Expert*innen intensiv zu karriererelevanten und hochschulpolitischen Themen aus. In Einzelberatungen können Sie sich in einem Vier-Augen-Gespräch zu individuellen Karrierefragen und -strategien beraten lassen.

Das Karriereforschung richtet sich an Postdoktorand*innen und Promovierende in der Abschlussphase der Universitätsallianz Ruhr (UA Ruhr). Die Veranstaltung ist ein Angebot der Research Academy Ruhr (RAR), der universitätsübergreifenden Plattform zur Förderung von Wissenschaftler*innen auf dem Karriereweg in der UA Ruhr.

Karriereforschung – Career Planning for Postdocs

The Karriereforschung at TU Dortmund University demonstrates individual career planning options after the doctorate in a very concentrated and efficient way.

Small discussion groups offer you the opportunity to exchange intensively with renowned experts about career-relevant and higher education policy topics. In individual consultations, you can get advice on your very individual career questions and strategies.

The Karriereforschung addresses postdoctoral researchers and advanced doctoral researchers of the University Alliance Ruhr (UA Ruhr). The event is an offer by Research Academy Ruhr (RAR), the cross-university platform for promoting early career researchers within the UA Ruhr.

22nd Karriereforschung for Postdocs

Postdoc funding programs for (inter)national research

24 + 25 March 2022
Online-Event

22nd Karriereforum

Postdoc funding programs for (inter)national research

Which funding program suits my research project? How can I finance a research stay abroad? What do I have to consider when applying for third-party funding? The 22nd Karriereforum is all about third-party funding for your postdoctoral career!

Successful applicants will report on their experiences and give tips. The German Research Foundation (DFG) and the German Academic Exchange Service (DAAD) will present their funding programs and provide information on application requirements. In addition, you will have the opportunity to discuss your questions with the invited speakers and with representatives of the research support services of the UA Ruhr universities.
